IMPORTANT NOTICES

In an effort to improve communications between park management and residents, we have developed a new format for communicating with your manager.

All Parks now have an e-mail address for each Park Manager so residents can communicate directly. All E-mail communications will receive a response within 5 business days. This will be the fastest way to get a response.

If you do not have e-mail, you may fill out a resident concern form. The resident concern forms can be picked up and submitted either at the Clubhouse desk or at the Service Office. Resident concern forms will be mailed back to the resident.

Managers will not respond to verbal messages unless it is an emergency situation requiring immediate attention such as a water leak, sewer leak, etc.

Please include your Name, Address, and contact number in your Concern email or any correspondence.

The e-mail address for S.L. Fairways is:
fairwaysconcerns@spanishlakes.com

DOG WALKING, PETS: It is illegal to tie up a dog outdoors unless a guardian is outside along with the dog. Pets are only allowed in the areas designated for them, with the exception of those with support animal training. (Not a vest from the internet). As a resident you are required to walk your pet in his/her yard on a leash. You must remove your pet's waste and dispose of it properly. The ONLY dog walk within the community starts at the dog park and runs south along I-95 side of Spanish Lakes Blvd. to Nuevo Lagos. Dogs should be walked on their own lot or transported to the dog walking area. Please continue to be vigilant in cleaning up at the dog walk and on your lot. **DO NOT** let your pet defecate in your neighbor's yard. Report violators with pictures and names if possible. Please be a responsible pet owner.

FEEDING BIRDS AND ANIMALS: There are many state laws in Florida regarding the feeding of wild animals and birds. These laws are designed to protect the animals from the humans. Some birds like the Cranes cannot digest bird seed but many of us see wings and feed it to them anyway. Leaving seed and bread around for birds and ducks attract mice, rats, and racoons. We do not need these critters around our homes. Please be respectful of your neighbors as well as the animals.
